- **Triples cleaning power.** Completely removes bugs, road film, dirt and grime.
- One super concentrated tablet makes 1 gallon of windshield cleaner.
- **Easy to Use.** Just add 303 tablet to 1 gallon water; or drop in reservoir of clean water.
- **Winter Conditions:** Anti-freeze type windshield solvents are poor cleaners. For triple cleaning power with any anti-freeze windshield solvent, add a 303 Instant Windshield Washer Tablet.
- This is a **GREEN** Product. It is Non-Toxic and Biodegradable.

### \*Compare:

2,500 gallon containers of pre-mix windshield cleaner weighs 20,750 lbs. One UPS-able master pack of 303 Tablets (4 cases/100 ea 25-tablet tubes) also makes 2,500 gallons, but weighs only 33 lbs!

**An astounding 99.84% LESS shipping weight!**  
**Virtually eliminates shipping costs.**

## PATIO FURNITURE CARE

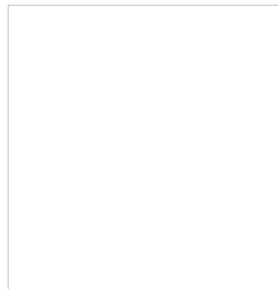

### Did You Know !

#### 303 Products and Aluminum & the Marine Environment

Anodized aluminum, a common marine material is used in many ways: Supports for bimini tops & enclosures; tuna towers; frames for hatches and windshields; sail masts & booms; outriggers, ladders & other trim. Aluminum is particularly susceptible to degradation from salt air and saltwater. 303 is an excellent, super-easy way to keep aluminum looking like new and to protect from salt air & saltwater degradation. (Wax can do this, too, but is less effective, doesn't last as long and is so much more difficult to apply that it's rarely used this way). In addition, 303'd aluminum repels water, smudging, soiling, fish blood and scales. - [Aerospace Protectant](#) - [High Tech Fabric Guard](#) - [Fabric / Vinyl Cleaner](#) - [Cleaner and Spot Remover](#) - [Shower Shield](#)
